

# CAPABILITY STATEMENT

Alpha Charlie Bravo Logistics, is dedicated to delivering exceptional management solutions for federal contracts across the United States and select international regions. Working closely with our federal partners, we design and implement flexible, adaptive solutions to meet the specific objectives of each contract. Our team has built a strong reputation with various government agencies, including the Departments of Defense, Interior, Homeland Security, and Veterans Affairs.

## CORE COMPETENCIES

- Financial Analysis and Support
- Administrative Support Services
- Program/Project Management
- Civil Engineering
- Construction Engineering
- Janitorial Services
- Landscaping Services
- Business Associations

## DIFFERENTIATORS

**PROVEN RECORD** - World-class customer support specialists with decades of government service experience

**EXTENSIVE EXPERIENCE** - With over 20 years of experience as a CPA and Civil Engineer, our team brings a rare combination of financial expertise and engineering proficiency to every government contract, ensuring both fiscal responsibility and technical excellence.

**CIVIL ENGINEERING AND PROJECT MANAGEMENT EXPERTISE** - Our team specializes in the seamless execution of civil engineering projects, from design to completion. We excel at managing complex government projects, ensuring compliance with federal standards, staying within budget, and delivering projects on schedule. Our deep knowledge of infrastructure development, coupled with robust project management processes, allows us to successfully lead multi-disciplinary teams and meet the specific needs of each government contract.

**STRONG PARTNERSHIPS** - Established partnerships with industry leaders and ready to deliver collaborative solution
